## A REPORT ON THE INAUGURATION OF THE LITERARY SOCIETY, DEPARTMENT OF ENGLISH

9<sup>th</sup> September 2019

The Literary Society, one of our future plans was actualized on **9<sup>th</sup> September 2019** as the Society was inaugurated and named Chrysanthemum.

The welcome address was delivered by a student of one of the running semesters and the principal delivered his keynote address wishing the department its best in the future endeavours. The role of the society was laid down:

- The society would function as a stepping stone to develop critical thinking amongst students pursuing their Honours degree in English Literature.

- 
- That Literature has joined hands with language and culture studies is well known and this awareness would be inculcated through student seminars, cultural presentations and special lectures and workshops by invited guest faculty and eminent personalities from the industry too.

The inauguration was marked by a review and a round table discussion on Ruskin Bond's novella *The Room on the Roof*.

Paintings by students were on display to mark art form as culture and literary presentations.
